RUE'S REMARKS!

I never cease to be amazed by the achievements and opportunities our pupils, staff and families can access. Although Spring-1 was short term, I am delighted to see we have achieved amazing things "ready to listen ready to learn together".

- Attendance for Spring - 94.04%.
- Behaviour in school is terrific.
- Progress in lessons is tremendous
- Workbooks and classroom displays are spectacular.
- Offering amazing out-of-school opportunities, performances, residential and day trips.
- Fantastic whole-school events, including Safer Internet Day.
- As a Teaching School, we continue to work with schools from across the region.

Lots to share on social media
Keep up the good work

Then I thought.... perhaps I'd better to do something special too!

So, for Sport Relief I will be staying in school **overnight** and exercising every hour...

I even have a fundraising page, if you would like to sponsor me visit

Community Heroes

Class 3 visited South Shields Fire Station to gain an insight into the work of people we regard as heroes in our community. They experienced first-hand the work involved and see how Fire Fighters help people on a daily basis. They also got to use the machinery, including a heat-sensor gun and the hose pipe.

The children were extremely enthusiastic and asked lots of questions and the Fire Fighters complimented them on their excellent behavior. It was a fantastic day and the children gained a valuable insight into the work of our fire service.

Robinwood Residential

We had a fantastic time at our residential, we took 10 pupils aged 7 to 11 years to Robinwood in Cumbria. Our instructor was Carrig and he loved every minute of working with our group.

Everyone faced their fears and gave 100% in every challenge. Some of the most exciting activities were Piranha Pool, Zip Wire, Giant Swing, Caving and Trapeze. All pupils showed strength, determination and courage when tackling these challenges.

Well done everyone from Ms. Hayes, Mrs. Waddilove and Miss Vincent.

Chinese New Year

Class 1 have been learning
all about China and made
big Chinese dragons and
decorated the classroom.
Using imagination and
creativity in learning and
participating and responding
to cultural activities.

Healthy Teeth and Gums

Great to have Melanie Wooton (Oral Health Service) in school to deliver
hands on workshops aimed at reminding pupils about looking after the
health of their teeth, gums and mouth.

Pupils answered questions about oral health and what affects it, they
were shown how to brush their teeth properly and then held false teeth
and braces to see how they look and feel.

Melanie shared with the pupils the amount of sugar in many food stuffs
and they were a bit shocked, especially when a pack of toffees
contained 45 teaspoons of sugar!!!

No winter lasts forever;
No spring skips its turn
