

Epina y Business and Enterprise School

RUE'S REMARKS!

What a great start to the New Year, delighted to see all our pupils' happy faces coming into school ... "ready to listen ready to learn together".

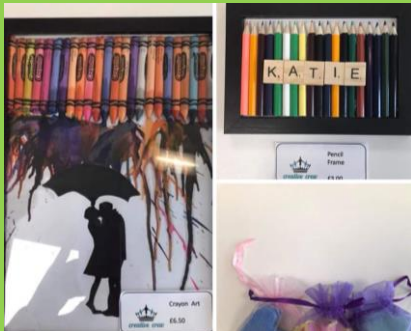

Another great start to the term with attendance first week back at 95%. Well done.

We also have some new and exciting projects happening this term, working with our school council, we hope to share these with you soon.

Epina y Enterprise

Our enterprise group 'Creative Crew' have been busy this term with product selection and designs for Valentines Day and Easter.

They are also looking forward to joining schools from South Tyneside at South Shields Market on Tuesday 20 March at the schools' enterprise event - why not go along and see all the products on sale.

KS4 Lifeskills

The Lifeskills group visited Wrekenton Waste Site to learn about recycling. Pupils identified which items could be recycled and the importance to reducing waste.

Recycling is an excellent way of saving energy and conserving the environment.

Taking care of ourselves

In Class 2 we have been learning about personal hygiene. We looked at the different ways that we get dirty throughout the school day. We then discussed the times during the day when we all need to wash our hands and why. We then watched a demonstration on how to wash our hands properly and then we 'had a go' ourselves. As part of our links to English, we will also be writing instructions on how to wash our hands.

Epina y Sixth Form

We are delighted to have the British Red Cross in school teaching Sixth Form pupils about first aid, and they will be in school regularly this term.

In other Sixth Form news...our first two placements have started with the National Trust at Souter Lighthouse.

For information on sixth form places for September 2018 contact the school or email post16@epina y.org

Further information about Epina y Sixth Form can be found on the school website www.epina y.org

Wanderers Sports Ass. Swimming Gala

Thirteen pupils from Key Stages 3 and 4 took part in the Swimming Gala at Hebburn Hub. Pupils showed high levels of determination to achieve some fantastic results. Although some were not confident in using the different swimming strokes, they still pushed themselves to take part. The group supported each other throughout and were proud of their achievements. As well as some individual medals, our under 14 boys and girls teams came **Second** and our under 16 boys and girls teams came **Third**. The behaviour and attitude was outstanding throughout the day. Well done everyone.

Art and Design

The pupils in Class 4 visited the Old Lowlights Heritage Centre and North Shields beach to meet with a creative group called FLOW. Pupils worked with Claire and Mark to produce wonderful creative projects. FLOW use objects and items sourced from their surrounding area to create very unique sculptures. We hope to continue working with FLOW to create some wonderful interactive sculptures for our own school grounds. Pupils also visited the beach to collect shells for a class project and met with some of the fishermen on the Fish Quay that FLOW work with.

Parent/Carers Coffee Drop-in

Come and join Mr Rue and other parents/carers for a cuppa and a chat on **Tuesday 27 February, 9.30am - 10.30am.**

September 2017

Hi I'm Michelle Fletcher
Lots of you will know me as mum of the twins, Charlie and George. I am also a school governor.

PARENTS/CARERS COFFEE DROP-IN

Please come and join us, call in for a cuppa, a chat, meet others and find out more about school projects, access information and support fundraising events. **See dates below.** I am also keen to hear what you might need and we would love to get to know more of our parents/carers.

There is also lots of information on the school website www.epinay.org/parents/
