Enterprise School**

April 2018

Ofsted

Outstanding Provider

RUE'S REMARKS!

We hope you all enjoyed the Easter break, *we all had a busy last week of term!*

I am thrilled with all the support for our fundraising efforts for Sports Relief, raising over £500 on-line plus sponsors from our school events.

Thank you very much for your generosity.

We have also had record breaking views (for us) on our social media, for the snow day posts!

Your support has been overwhelming - you are all truly amazing.

Ohhh and by the way, *have I not mentioned it yet*, following the recent Ofsted inspection....

we are an outstanding school

Epina y Business and Enterprise School News

Coming Soon... Invention Shed

We are excited to be working with the House of Objects and to have the very first Invention Shed within South Tyneside.

This purpose-built facility will bring pupil-led play using a range of recycled materials and tools... and to be creative! Our staff will be trained and we will have a mentor supporting this new initiative during its first year.

South Tyneside Schools' Enterprise Market

Creative Crew (our enterprise pupils) and Epina y Sixth Form pupils took along hand-crafted products to sell from their own market stall, as part of an Epina y Teaching School initiative with Westoe Crown Primary School .

See social media for more seasonal products on sale from Epina y School.

Easter activities

As part of our Easter themed week, Class 2 made a range of objects which represented the Christian faith at this time of year. They used two different coloured cards and created an image of a cross. They made a representation of the crown of thorns using a biscuit, peanut butter and pretzels.

Summary of Key Findings

**This is an
outstanding school**

Ofsted Report April 2018
