## LEST WE FORGET

In November we saw the 100<sup>th</sup> anniversary of the Armistice in 1918 that signaled the end of World War 1 and we remembered the sacrifice made by so many men and women.

The Canny Craic Theatre company came into school to do a drama workshop looking at the impact of World War 1 on soldiers and the women left behind. Class 6 enjoyed the drama performances and joined in answering a range of questions about issues surrounding the "Great War".

## "Tackle It!"

Class 6 took part in "Tackle It!" provided by Sunderland Foundation of Light. The pupils enjoyed taking a carousel of activities which looked at: healthy eating, awareness of anti-social behaviour and understanding stereotypes.

## 'Choose Respect'

Anti-Bullying Week 2018 ran from 12-16 November. The theme this year was 'Choose Respect'. We held a range of awareness sessions and events during throughout the week, starting off with our odd-sock day! We also looked at **Stop, Speak, Support** ...when you see online bullying -as part of Anti-Cyberbullying Day.

## If you're being bullied:

- 👉 Tell someone you trust
- 👉 Keep a record of what's happening
- 👉 Don't retaliate
- 👉 Surround yourself with people that make you feel good
- 👉 Don't blame yourself - it is NOT your fault
- 👉 Be proud of who you are

## Maritime History

Class 7AW visited The North East Maritime Trust.

The class has been studying the local industries of coal mining and shipbuilding. They visited the Trust to see the work that they do in restoring boats and to see the techniques they use in building them. Pupils participated in caulking and roving; and saw how they made the metal fittings in the blacksmiths forge. They had a great time and their behaviour was exemplary.

## Class 1 - Pirates

We went to visit HMS Trincomalee in Hartlepool.

We looked around the ship, including the quarters and the deck. We also got to dress up as pirates, *crack the pirate code* and tie some knots. We walked through the interactive 'fighting ships' display where we found out about the conflicts between the navy and the pirates and how they used to battle using cannons and pistols.
