

Epina y Business and Enterprise School

RUE'S REMARKS!

What a month... we are marching through March... ..literally - supporting the March on Cancer and the pier to pier walk on Sunday, well done everyone who supported the event.

Well done also to Epina y School winning first place at the North East Disabilities Sports Award for Education.

Also congratulations to the Wanderers Sports Association -third place for Outstanding Group ... *and our Sandra's daughter Emma received a Young Achiever's Award. Oh what a night!*

But that's not all - Epina y School have been shortlisted for a South Tyneside Staff Award for Team of the Year.

Plus 2 of our Governors have just completed a Governance-Space Leadership programme. Amazing work everyone!

That's enough about us, take a look over our newsletter and see what our pupils have been up to ...

"ready to listen ready to learn together".

Comic Relief Red Nose Day

RED NOSE DAY **£320.63**

Our pupils enjoyed dressing in red, learning more about Comic Relief in assembly and spending money on the red raffle and cakes sales.

Thank you all so much for your support on Friday 15 March and to raise a staggering amount.

Without the support, flexibility and dedication of staff days like this could not go ahead and our children and young people get such a lot from it, and wow, what an amount we raised. The amount itself was amazing, great, fabulous, the best so far, staggering, mind blowing!!!

Mrs Brewis

8-17 March British Science Week 2019

As part of British Science Week we invited the Centre for Life into school along with their enormous science dome. Classes experienced 360 degree pictures and interactive workshops covering topics including earth and space.

Epinay Business and Enterprise School News

Under 11s Football Tournament

We took two teams of 6 primary pupils to participate in the Under 11s football tournament. For a lot of the pupils it was their first sporting competition.

The team's behaviour and attitude was outstanding. They worked hard for each other, but more importantly they had fun. We also had the opportunity to look around SAFC Foundation's facility, the Beacon of Light.

Four of our Key Stage 4 pupils helped at the event, 1 of whom has completed his Durham FA referee course.

World War 2

Class 6 are finding out about World War 2 in History, as part of their studies they watched the film Goodnight Mr Tom. Watching films are an excellent way for the students to find out and empathise with what children had to go through during the Blitz and the trauma of being evacuated. Their learning was enhanced by the arrival in their classroom of an unexploded bomb, gas masks and some WW2 uniforms.

"It must have been awful leaving the people you love to live with strangers." Byron
"Mr Tom treated Will like his own son." Jess.

Coming Soon ... Parent Pay

We are delighted to be introducing Parent Pay into school helping you pay school dinners online. Joining instructions have been sent home. Contact Sandra Stephenson for information.
