

Epina y Business and Enterprise School

November 2019

Epina y School Website

For all the latest information on Epina y School check out the school website at: www.epina y.org

RUE'S REMARKS!

Well - I think November's Newsletter has to give a mention to Pudsey -and all the activities raising money for BBC Children in Need and making a valuable contribution towards helping children and young people in the UK.

Some very imaginative challenges especially around keeping me locked-up in the "stocks"

Amazing to have Pudsey and BBC cameras in school.

Tremendous support from pupils, staff and parents/carers, as always, thank you so much.

Halloween Disco

Amazing turnout for the Halloween disco on Monday 4 November.

Ticket sales raised a fantastic £323 funding for school activities. Thank you everyone and too all those who got dress-up!

Wanderers Sports Association - New 10 pin bowling

Pink and Silver classes took part a 10 pin bowling event at the Riverside in Sunderland, with SEND schools from across the North East. This is a new Wanderers and Panathlon partnership. All pupils received medals and certificates for taking part and one of our primary teams won first place. Well done!

Health and Hygiene

Green class have been learning about health and hygiene; due to the time of year we have been focusing on the spreading of germs and cross-contamination. We practiced washing our hands thoroughly in the proper way.

Jack and Lennon washing their hands; Zachary paying particular attention to the nails where lots of germs gather.

Anti-bullying Week 2019

Some wonderful support around school this month, everyone caring and looking out for each other and some very kind and thoughtful gestures for World Kindness Day.

Small change. Big difference.

Bullying has a significant impact on a child's life well in to adulthood. Change starts with a conversation. It starts with checking in. It starts with work together.

Epina y Business and Enterprise School News

Beach School

Green class exploring our coastline and learning about the dangers of plastics on our beaches. They are beginning to learn about things that can be harmful to the environment and natural materials which are not harmful.

Zachary found some natural seaweed and a piece of plastic; Jack and Lam found wood and rocks.

Red class have been reading War Horse in English and have created this amazing display in honour of fallen soldiers.

Contacting School...

There are lots of ways to get in touch:

Tel: 01914898949
