

Wednesday 10/06/2020

This week will see suggestions for practical science activities, things to make at home and a suggestion for a local walk. All of the walks can be found on the South Tyneside website. [Click here for the link.](#) So get out and explore your local area.

All of the walks have maps that can be printed off or downloaded to use on your phone.

The suggested walk for today is an urban history walk in Hebburn. [Click link for information.](#)

Primary, Secondary and Sixth-form

The BBC has excellent daily lessons for all abilities. [The link can be found here.](#) They include a mixture of activities for all subjects.

Primary:

Ideal resources: iPad/ tablet/laptop, printer or paper, felt tips, play doh, Lego, teddies, toys, sand, nerf guns TV/Netflix/You Tube recommendation:

[Click here for weekly stories to listen to](#) (maybe whilst playing, colouring or drawing, at your own pace)

[Click here for live phonics lesson](#) Roughly: Blue 1-3, Green 1-2, Pink 1-2, Blue Purple and Red set 2. Please contact your teacher through Class Dojo if you want more specifics.

- Phonic help for parents: <https://www.ruthmiskin.com/en/find-out-more/parents/> should you need any additional support or guidance when doing phonics with your child.
- You can also access a home learning timetable of activities on www.kids.classroomsecrets.co.uk. This site has a range of engaging activities for all pupils and is free with no email required.

Secondary and Sixth-form: Please see link above.

Science activity: Lava lamp experiment. [Click link for information.](#)

Craft activity: Make a loom out of a cereal box to do some weaving. [Click link for information.](#)
