

Procedure for pupils and staff displaying symptoms of Covid 19

If a pupil or staff member is feeling unwell in school with Covid 19 symptoms:

- Follow Covid 19 first aid procedures. **Leave site as soon as possible (pupils - via parent/carer collection & staff - via safest means possible).**
- Arrange a Covid 19 test for you and all your household asap - this can be easily arranged online.
- Following a **negative** result:
 - Email proof of this to sstephenson5@epinay.org.
 - Return to school the following day.
- Following a **positive** result of anyone in the household:
 - Email proof to sstephenson5@epinay.org.
 - Follow all advice given to you from the health authorities. All household to isolate for 14 days.
 - SLT will seek advice from Public Health England and other agencies to ascertain the steps we need to take in school.

Procedure for pupils and staff displaying symptoms of Covid 19

If a pupil or staff member is feeling unwell at home with Covid 19 symptoms:

- Contact school asap - by telephone before 8.00am. Parents should not allow pupils to get on school or Local Authority transport. **Do not attend school in this instance.**
- Arrange a Covid 19 test for you and all your household asap - this can be easily arranged online.
- Following a **negative** result:
 - Email proof of this to sstephenson5@epinay.org.
 - Return to school the following day.
- Following a **positive** result of anyone in the household:
 - Email proof to sstephenson5@epinay.org.
 - Follow all advice given to you from the health authorities. All household members to isolate for 14 days.
 - SLT will seek advice from Public Health England and other agencies to ascertain the steps we need to take in school.

Procedure for pupils and staff displaying symptoms of Covid 19

If a member of the household of a pupil or staff member is feeling unwell with Covid 19 symptoms:

- Contact school asap - by telephone before 8.00am. Parents should not allow pupils to go on school or Local Authority transport. **Do not attend school in this instance.**
