

Year 7 catch up grant 2020/21

Income received £8000

As a result of COVID 19 restrictions the year 7 catch up fund 19/20 was not fully implemented and the impact could not be fully measured. Epinaay will use the catch up funding this year to target and fund literacy and numeracy initiatives only using the following suggested strategies and approaches.

Literacy Catch-up

Initiatives and Deployment of Funding

- 100% of students in year 7 will receive 1:1 or very small group catch up intervention sessions for 45 minutes once per week with an experienced HLTA using the Dockside scheme.
- Development of a new school library with timetabled weekly guided reading sessions
- Investment and training in Read, Write, Ink programme – all students in phase 1-3 will access this 3 sessions per week

Numeracy Catch-up

Initiatives and Deployment of Funding

- Weakest pupils in year 7 will receive 1:1 or small group catch up intervention session for 45 minutes once per week with a subject specialist.
- Specialist resources and staff training to develop interactive, practical sessions to meet the learning needs of SEND pupils.
